

27 March 2020

Dear Parents and Carers,

I wish to ensure that all parents are kept fully informed of the arrangements for next week and the start of Term 2.

- An electronic survey was sent out yesterday asking for the numbers of children attending school next week. Thank you to the respondents for your prompt reply.
- This service is for parents who are both working *outside of the home* and are unable to look after their children.
- Please note that the children who attend school next week will be supervised at school by a roster of different staff and that **no** teaching and learning will take place. The children may bring their photocopied packs with them to work on during the day.
- Students are to wear their school sports uniform.
- Tuckshop will be closed next week.
- School hours will continue as per usual – 8:35am until 3:00pm.
- Next week students are to gather in the undercover area when they arrive at school.
- Next week, the teaching staff will be planning online learning for Term 2 in the event that schools are closed due to Covid 19.
- School buses and crossing supervisors will still be available.
- OSHC will still be open.
- Friday, 3 April (next Friday) is a Pupil Free Day for all Catholic Schools.

You can contact the school by email at goondiwindi@twb.catholic.edu.au or by phoning 46 711 730.

Kind regards

Brett Pollard
Principal
