Comprehension**

**Decoding  
and spelling**

**Phonics**

**Phonological  
Awareness**

**Oral Language**

# The Steps to Success in Reading

## Oral Language

Interactive conversation! Speaking full sentences to one another back and forth.

## Phonological Awareness

Recognising rhyme, producing rhyme, identifying words & syllables, hearing and identifying sounds.

## Phonics

Matching sounds to letter symbols, knowing what letter combinations make a sound.

## Decoding

Blending sounds together to make a word. Training the brain to look at each sound before reading the word.

## Reading & Comprehension

Being able to decode fluently so that the story is understood.
