

Dear Parents and Carers,

Being a Sun Smart School, we place great emphasis on sun protection. For this reason, the school has purchased generic Sunscreen from Coles to be placed in classrooms and administered before play times. Please note that the chosen Sunscreen meets the Australian Sun Safety Standards.

Due to the increasing number of allergies in society, we are seeking permission from each parent for their child to apply the school supplied Sunscreen before lunch breaks to minimise sun damage to the students' skin.

We understand that some students have allergies to sunscreen and are happy for parents to provide their chosen brand of sunscreen to their classroom teacher so that they too can be involved in sunscreen application before breaks.

Please return this form to school indicating your response to sunscreen application at school as soon as possible. Please note we require one form for each child. Once the form has been returned, sunscreen application will begin.

Name of Student: _____ Class: _____

My child may use the sunscreen provided by the school

My child may NOT use any sunscreen other than the one that he/she brings to school.

(Sunscreen Name: _____)

**Sunscreen bottle must be labelled with child's first and last name in permanent ink.*

Parent/Carer Signature: _____

Date: _____
